

Reload Pipet Tip

Tips That Help Reduce Waste
and Save Benchtop Space

Characteristics

- **Wide Compatibility:** Universal fit for use with pipettes from other manufacturers like Eppendorf, Gilson, Thermofisher, Sartorius Biohit.
- **Economically Friendly:** Reduce plastic waste by refilling empty racks.
- **Simpler Operation:** Each layer features individual pipette tip racks for easy separation and removal.
- **Multiple Packaging Options:** Available in both blister pack and cardboard box packaging.
- **High-quality Standards:** Imported medical-grade materials; 100% product internal and external surface inspection; free of DNase/RNase, and no endotoxin contamination.

Ordering Information

● Non-Sterile, Non-Low Retention Tips
